ORDINARY ORIGINAL CIVIL JURISDICTION

WRIT PETITION NO.1097 OF 2007

Shri Krishna Devji Surve ..Petitioner

Vs.

The State of Maharashtra & Ors.....Respondents

None for the Petitioner & Respondents

CORAM: F.I. REBELLO &
J.P.DEVADHAR,JJ.
DATED: 8TH AUGUST, 2007

. There is a slum scheme in respect of which there is a proposed society namely respondent No.3 and the development has been entrusted to respondent No.6. The petitioners appear to be some members of the committee of the proposed society and their grievance is in the matter of some development work that is going on. In our opinion once there is a society it is not possible to entertain the petition at the instance of the members. The members, if they have any grievance, can always move the S.R.A. Authorities.

2. None present for the petitioners. Petition dismissed for non-prosecution.
